SESSION & INVESTMENT GUIDE

ERIN HARRIS PHOTOGRAPHY

# Welcome

## TO ERIN HARRIS PHOTOGRAPHY

Hi there! I'm Erin Harris, a Portrait Photographer based in Milwaukee. My work has been featured in various photography blogs, publications and media outlets, including the Today Show and Milwaukee Magazine. I love to photograph high school seniors and learn about their plans for the future during such an exciting and pivotal time in life.

I pride myself on creating beautiful images that are meaningful to each senior and their families. A senior portrait session is an opportunity to capture the real you and to showcase the things that you love! I like to create images that are classic with a modern twist. Rather than focusing on high-volume, I work with a small number of seniors each year, which allows me to be hands-on in the planning and ordering process for each family. I'm here to help you create gorgeous portraits which will result in timeless keepsakes. I also want you to have an amazing experience as we customize a session that is uniquely yours. I feel honored when families choose to work with me for their senior portraits and would love the opportunity to create beautiful images for you.

WITH LOVE, *Erin*

# What to Expect

---

## BEFORE

As soon as you are interested in booking a session with me, please send me an email. We will discuss all the specifics that you would like to include in your senior session. This will give me the opportunity to learn more about you and what you enjoy doing most. Since the goal is to capture the real YOU, each session is unique and customized for every senior. Some things we will solidify via email are the location for your session, the time and date of your session (the best time for outdoor photos is about two hours before sunset), and any other questions that you may have for me. I'll compile all this information in an email and contract and send it your way. Once we have selected your session date I will also send an invoice for your session fee, which will hold your date and time.

## DURING

Senior photo sessions can range from one to two and a half hours. We will meet at the selected location at the scheduled time and review any special photo requests or needs you have. I will ask how many outfits you plan to wear and whether you are incorporating any props like sporting equipment or musical instruments and then we will get shooting. We will incorporate a variety of different poses and backgrounds and will move around to get new backdrops and angles. I'm happy to accommodate any fun posing ideas you have or anything else that you want to include in your session. At the end of our time together, I'll answer any final questions and discuss the timeframe in which your gallery will be ready for viewing.

## AFTER

As soon as your session is over, I will transfer all of your images onto my computer and back them up to my cloud. I will then begin curating and editing your session. I usually post a sneak peek image to social media within about a week but it takes about three weeks to edit and retouch your images and to prepare your digital gallery. When your images are ready, I will send you an email with a link to your password protected gallery as well as all of the important ordering information. After you place your order of digital files or prints, they will be ready within about a week. The digital files will be sent via digital download and the prints will be available for pick up at my home office. For an added fee I can ship them directly to you.

# What to Wear

---

## WHAT TO WEAR

- \*Solid, saturated colors
- \*Complimentary layers: jackets & scarves
- \*Functional clothing: To do a variety of poses you will have to be able to sit, stand, squat
- \*Nude Undergarments
- \*Classic jeans are always a good choice
- \*Tailored clothing that shows off your best assets
- \*Interesting textures such as leather jackets, fur, sequins, etc

## WHAT NOT TO WEAR

- \*Wrinkled, dull clothes
- \*Busy patterns: camo, plaid
- \*Cleavage-baring tops or mini-skirts
- \*Clothing with excessive rips
- \*Clothing with large logos or lettering
- \*Dirty shoes

*Your clothing can set the tone for your session. You can certainly remain casual, dress it up, or do a little of both! Layering and accessories always make a difference in adding visual interest to your clothing. Choose clothes that reflect your style and personality, not just what everyone else is wearing.*

# What about the Guys?

The same rules apply to the guys! Casual or dressy, make sure to have well-fitting clothes that are wrinkle-free and steer clear of small patterns and logos. Layers work great for guys too!

# What's Next

## EDITING

I believe in classic, natural, soft-touch editing. Each image is individually edited to enhance colors, exposure and composition. I will also retouch blemishes and flyaway hairs. Your images won't look filtered or "edited," but rather will appear naturally radiant.

## ORDERING

When your gallery is ready, I will send you a link where you can view all of your images. After you see your complete gallery of images, you'll decide if you'd like to order prints, digital images, announcements, other products, or all of the above. I can answer any questions you have or we can meet in person if you want help deciding what to order.

## DELIVERY

AFTER YOU PLACE YOUR ORDER, I WILL PROCESS YOUR PAYMENT AND YOUR ORDER WILL BE ON IT'S WAY! WHEN I RECEIVE IT, I WILL PACKAGE IT AND GET IT INTO YOUR HANDS.

# FAQs

**I HAVE NEVER HAD PROFESSIONAL PHOTOS TAKEN. DO I NEED TO KNOW HOW TO POSE?**

Nope! It's my job to make you feel comfortable in front of the camera and to capture a variety of natural-looking, smiling and serious expressions for you to choose from when you are ordering.

**WHAT PROPS CAN I BRING?**

You can bring anything that reflects who YOU are. We can discuss this further in our planning emails.

**SHOULD MY PARENTS COME TO MY SENIOR SESSION?**

This is up to you. Some seniors have trouble feeling fully relaxed and comfortable in front of the camera when their parents are present. Others like to have a parent there to coax out their natural smile. I suggest you do whatever will work best for you to be YOU.

**WHAT SHOULD WE DO IF THE WEATHER IS BAD?**

Let's be real. This is Wisconsin and the weather always seems to be unpredictable. If the weather isn't cooperating on your session date, I will gladly reschedule for another date.

# Sweet Words
